Friday June 16th Rules – 4-Person Team Scramble, stroke play.

Each player hits from the tee; the preferred shot is selected and each player plays the next shot from within one club length of the mark, no nearer the hole (six (6) inches from a mark on the putting surface). A ball may not be moved when it is to be played from within a hazard or bunker. If a team elects to play a ball from this condition, the first ball must be played as it lies and subsequent balls may be placed. The condition of the ball may not be changed (e.g. no moving from the rough to the fairway, fringe to green, etc.). This is repeated until the ball is holed. During morning check-in, each team is required to pull, at random, 2 teams to add to their score. The cumulative scores will be the team's final score. Prizes will be awarded to the top 3 teams in the scramble.

Saturday June 17th Information– Individual Stroke Play Tournament.

This tournament will be a **one-day** stroke play tournament for all golfers governed by USGA rules. Prizes will be awarded for low gross and net in each class. The Callaway scoring system will be used to determine winners in each class for net scores.
