Friday June 6th Rules – 4-Person Team Scramble, stroke play.

Each player tees off; the team selects the best shot, and all play their next shot from within one club length of that spot (6 inches on the green), no closer to the hole. Balls in hazards or bunkers must be played as they lie—subsequent shots may be placed, but conditions can't be improved (e.g., rough to fairway). Repeat this process until the ball is holed. At check-in, each team will randomly draw two other teams whose scores will be added to theirs. Final rankings are based on these combined scores. Prizes awarded to the top 3 teams.

Saturday June 7th Information– Individual Stroke Play Tournament.

This tournament will be a **one-day** stroke play tournament for all golfers governed by USGA rules. Prizes will be awarded for low gross and net in each class. The Callaway scoring system will be used to determine winners in each class for net scores.

All CFU members in good standing are eligible to participate, with divisions for Junior players as well as six male and three female flights. And we're excited to extend an invitation to guests of CFU members as well—this is the perfect chance to introduce someone new to the CFU community and share the experience of this incredible weekend.

To make your stay comfortable, we've reserved a block of rooms at Seven Springs Resort.
